

**Sanya Kapoor**

Email: sanya.kapoor@example.com | Phone: +91 8800112233  
Portfolio: sanya-ml.dev

**Objective**

To work as an ML Engineer and build high-performance models for automation and analytics.

**Skills**

- Deep Learning, ANN, CNN, RNN
- Transformers, LLM fine-tuning
- Data Wrangling, Feature Engineering
- Flask, FastAPI for ML deployment

**Projects****1. Sentiment Analysis on Twitter Data**

Preprocessed tweets and fine-tuned DistilBERT model.

**2. Handwritten Digit Recognizer**

Built MNIST classifier with 98% accuracy.

**Education**

MCA – 9.1 CGPA
